Sir:

In reply to the non-final U.S. Patent Office Action, mailed July 1, 2003, reconsideration of the patentability of the pending claims and continued examination is respectfully requested. This Reply and Amendment is accompanied by a Petition under 37 C.F.R. § 1.136(a) and its required fee. It is respectfully requested that the present amendment be entered in the case, and the patentability of the amended claims considered.
